HORSE SECTION REGULATIONS

- All competition at this show is governed by the Cooma Pastoral & Agricultural Association Inc (Cooma Show) regulations and by the Agricultural Societies Council of NSW Rules for Discipline in horse sections at shows, which can be viewed at www.agshownsw.org.au.
- Should it become necessary for the ASC Disciplinary Committee to open an inquiry into any aspect of competition in the Cooma Show horse section, this society will support any penalty imposed by that committee as result of the inquiry and will support penalties resulting from enquiries arising from horse sections at other NSW shows.

INDEMNITY AND WAIVER FORMS

- The horse committee will take all care in managing the section, but competitors taking part in this horse section do so at their own risk. Each adult competitor must, before competing, complete and sign a form indemnifying the Cooma Pastoral & Agricultural Association Inc and waiving any claims against the association for any injury sustained in competition or for loss or damage to the competitor's property or damage caused by the competitor or his/her animal(s) at the show.
- A similar form must also be completed and signed by a parent or guardian for each competitor who is under 18 years of age.
- As well, each horse with which the competitor is involved in competition at the Cooma Show must be listed on each waiver form, along with the Property Identification Code (PIC) of the property from where the horse came to the show.

SPECIAL BY-LAWS FOR HORSE SECTION

- **REFUSAL OF ENTRY, ALTERATION OF SCHEDULE:** The committee reserves the right to refuse an entry without assigning any reason for doing so and to alter the schedule to meet emerging circumstances.
- **JUDGE'S DECISION / DISCRETION:** The judge is empowered to withhold any or all prizes in any class where the exhibits are, in his/her opinion, unworthy of the prize and at all times the judge's decision will be final. A judge has the discretion to ask that a led or performance exhibit and handler or rider be ordered to leave the ring if he/she considers the animal is unruly and/or likely to cause an accident.
- **DISTRICT CLASSES:** Exhibitors and their horses entering these classes must have been permanent residents of the Snowy Monaro Regional Council for at least six (6) months prior to the date of the 2017 Cooma Show. No exceptions to this by-law.
- **LOCAL CLASSES:** Exhibitors and horses entering these classes must have been permanent residents of the former Cooma-Monaro Shire Council area for at least six (6) months as at the date of the 2017 Cooma Show and reside within a 15km radius of the Cooma Post Office. No exceptions to this by-law.
- **NOVICE HACK, GALLOWAY, PONY and RIDERS:** A novice is an entrant that has not won first place at a similar or higher level show. This applies to horse and rider classes. Novice horses are to be ridden in a snaffle bit.
- **SHOW HUNTERS:** Horses in these classes cannot compete in ridden hack, galloway or pony classes. Stallions are not eligible and horses and ponies must be three (3) years or older.
- **RIDDEN HACK, GALLOWAY, PONY:** Horses in these classes cannot compete in show hunter classes.
- **STALLIONS:** Stallions must wear a bit at all times when being led and must be under the control of a person 17 years of age or older. They must be supervised at all times and securely fastened if tied to the outside of a truck or float. They are not eligible to compete in ridden classes unless stated in the schedule.
- **PONIES WITH ADULT RIDERS:** Ponies may be ridden by adults unless otherwise stated in the schedule.
- **HORSE MEASURING:** No official measuring will take place at the show, but, if a question about height arises, proof of height may be required. In the absence of proof, a decision will be at the absolute discretion of the Ring Master or Chief Steward.
- **LATENESS TO THE RING:** Competitors must be ready when called. Once judging has commenced, a competing horse shall not be led or ridden into or out of the judging ring without the permission of the judge and/or the chief steward.
- **BREED REGISTRATION:** Registration documents for horses in breed classes must be produced when required by a steward.

- **ATTIRE:** Competitors must be appropriately attired for the competition in which they are competing. Full pony club uniform is acceptable in all classes in all rings. Hunter attire/ equipment is to be worn in hunter classes. Show hunter ponies, galloways and horses will be judged under the guidelines of the Australian Hunter Horse Association.

- **FOOTWEAR:** All competitors must wear appropriate footwear when leading or riding a horse. When riding, the footwear must enable removal of the foot from the stirrup.

- **HELMETS:** Current Australian standard AS/NZ 3838 (2006 onwards) provided they are SAI Global marked. New Australian standard ARB HS 2012 provided they are SAI Global marked. Current American standard ASTM F1163 (2004a or 04a onwards) provided they are SEI marked. Current American standard SNELL E2001. Current British standard PAS 015 (1998 or 2011) provided they are BSI Kitemarked. Interim European standard VG1 (01.040: 2014-12) with or without BSI Kitemark.

- **CRUELTY:** Persons who are considered by the chief steward to be abusive or cruel to a horse will be expelled from the ground. No horse will be permitted to compete if, in the opinion of the chief steward, it is in poor health or condition.

- **DRUGS:** Drug testing may be carried out at this show. It is forbidden to administer any stimulant or depressant to a horse or to cause one to be administered in any way whatsoever, either before the start of a competition, or on the previous day, under the maximum penalty of disqualification for life of the owner, rider, horse and groom.

- **APPROACHING JUDGES:** No exhibitor or associate will initiate conversation with a judge on judging day, before during or after judging, except through the chief steward.

- **COACHING:** Any person detected coaching a competitor while that competitor is being judged may be removed from the showground.

- **PROPER CONDUCT:** Any exhibitor or associate who behaves offensively on the showground will be expelled from the ground, may be banned from the show in future and may be banned by other societies.

- **PROTESTS:** A protest or complaint against any exhibit or exhibitor may be lodged verbally with the chief steward no later than ten (10) minutes after the judging of the exhibit or exhibitor. The chief steward must be provided with the exact nature of the complaint and act, if necessary, to maintain competitive fairness. The chief steward may choose to refer the matter to the protests committee, which shall comprise the president of the association or a vice-president and two other members of the general committee. A protest or complaint or an appeal against the decision of the chief steward may be lodged in writing with the secretary no later than 10pm on the day of judging. Such protest, complaint or appeal shall be accompanied by a deposit of \$50 which shall be forfeited if the protest, complaint or appeal proves to be frivolous or vexatious. A matter lodged this way shall be dealt with by the protests committee within 24 hours of lodgement and the decision of the protest committee shall be final.

NB: No protest or complaint will be considered if it refers simply to a judge's decision.

AGRICULTURAL SOCIETIES COUNCIL of NSW Ltd.

CODE OF CONDUCT FOR HORSE JUDGES

1. A judge should reply promptly to an invitation to judge at a show and, having made the commitment, honour it. If a judge is, at short notice, unable to officiate, he/she should inform the show secretary immediately.
2. A judge must not solicit judging appointments and should not accept too many appointments during any one show season unless it is in different sections.
3. Because judges are representing themselves and the particular Show Society, they should always be punctual and look their best, being correctly and neatly dressed. Gentlemen should wear a coat and tie and ladies should dress to a similar standard. Both ladies and gentlemen should wear hats when judging outdoors and suitable footwear. Jeans, tee shirts, windcheaters, sports shoes and thongs are not considered as suitable standards of dress.
4. A judge's conduct and behaviour should be beyond reproach and a judge must exhibit propriety and integrity when judging events, and be unbiased and fair. He/she must at all times be polite and act in a respectful manner to competitors, spectators and show officials.
5. While conducting a ring, the safety of the competitors, spectators, stewards/marshalls must be the judge's first consideration.
6. A judge must not accept hospitality from an exhibitor immediately before or during a show and must not visit any owner or exhibitor or inspect or discuss any horse entered in the show except in the ring until judging at the show has been completed.
7. A judge cannot judge:
 - and exhibit at the same show.
 - the same section within 100kms radius within a 90 day period.
 - in any section in which immediate members of his/her family are competing.
 - an exhibit, which the judge or his/her immediate family has bred.
 - a progeny group sired by a stallion or out of a mare owned by the judge.
 - an exhibit where the judge or his/her immediate family have been rewarded in cash or kind for tuition of either part of the combination (horse or driver/ rider/handler) in the previous six months.
 - an exhibit where the competitor/exhibitor has been employed by or has employed the judge in the previous six months.
 - an exhibit owned, produced or driven by a person whom the judge or his/her immediate family have or had a business partnership (excluding stud fees) within the previous six months.
 - an exhibit which the judge or a member of his/her immediate family sold to the exhibitor in the 12 months preceding the show or event.
 - an exhibit which the judge or a member of his/her immediate family have or have had a financial interest in during the previous twelve months.
 - an exhibit produced, ridden or driven by a person who has carried out those duties for the judge in the previous twelve months.
 - an exhibit owned by an exhibitor for whom he/she has produced exhibits in the previous twelve months.

8. A judge must not refer to a show catalogue or steward's list either before or during judging, nor can a judge be in possession of a show catalogue whilst in the ring.
9. A judge should not discuss any exhibitor's animal's faults with stewards or other competitors.
10. A judge may direct his/her steward to order any person from the ring for improper conduct or any other proper cause, including any act of unreasonable discipline or cruelty towards a horse.
11. A judge has the discretion to ask that a led or performance exhibit and handler / rider / driver be asked to leave the ring if he/she considers the animal is unruly and/or likely to cause an accident.
12. Where a judge is aware the judging of an exhibit is an infringement of any rule, then the judge must refrain from judging that exhibit and draw the attention of the steward and Ringmaster to the issue.
13. A judge may request an exhibit to be measured. This is nearly impossible unless there is a surveyor certified measuring bock on the showground and they are in possession of a properly calibrated measuring stick. This is why the ASC recommends accepting SHC or EA Official Measurement Certificates.
14. A judge may refuse to judge any exhibit he/she considers to be unsound. This is again very difficult – the competitor might argue that the Judge is not a Vet, therefore comment on the soundness or otherwise of an exhibit. If the horse is very uneven then that is a different matter.
15. A judge may withhold an award if, in his/her opinion, no animal is worthy of the award.
16. A judge has the discretion to agree or to refuse to discuss his/her opinion of an exhibit with an exhibitor but should only agree to enter such discussion if the request comes through the steward or Ringmaster.
17. A judge should ensure that a steward or other show official is present during any discussion with an exhibitor and should give his or her opinion courteously and sincerely while refraining from engaging in debate.
18. Once a judge has judged a class, he/she should not re-judge it even if placings are affected by ineligibility and require official alteration.
19. A judge's decision representing his/her individual preference is final and cannot be the subject of a protest, except where ineligibility is officially determined.
20. A judge may lodge a written complaint concerning the behaviour, demeanour, dress, condition and the like (in respect of the exhibitor or exhibit) to the relevant show secretary but should inform the secretary of the impending complaint before leaving the show and submit the written complaint within 10 days.

SOME STANDARD PROCEDURES

1. Once judging has commenced, a competing horse shall not be led, ridden or driven into or out of the judging ring without the permission of the judge and/or the Ringmaster.

2. If a led horse should drag or escape its handler and leave the ring it is usually disqualified from the class.
3. A fall of exhibit or rider/driver in any ridden or harness class will result in disqualification from that class. The rider must not remount or the driver get back into the harness vehicle in the ring.
4. The awarding of equal placings is customarily avoided because of the difficulties it can cause in Championships. The exception is that some Show Societies encourage the awarding of multiple third or fourth ribbons to all remaining competitors in the more junior children's riding classes.
5. The Champion in a group of classes is selected from the First Place winners from each of the eligible classes. Equal Champions are never awarded.
6. The Reserve Champion is selected from the remaining First Place winners after the Champion is selected PLUS the Second placegetter/s from the class/s from which the Champion came.
7. The traditional ribbon colours are:
 - First - blue
 - Second - red
 - Third - white
 - Fourth - gold/yellow
 - Fifth - green
 - Sixth - brown.
8. Competitors are expected to maintain and support the same ethical standards as judges. This means, for example, that a competitor who wished to speak to a judge would be expected to make his/her approach through the Ringmaster or steward and, if a competitor found that his/her appearance in a class would create an infringement of the Judge's Code of Conduct, he/she would be expected to withdraw or risk being declared ineligible.
9. Because country shows are very much reliant on voluntary workers in most or all roles for their financial survival, they can only offer reasonable travel reimbursement and accommodation to visiting officials.
